**PLEASE NOTE EXTENSION OF CONTRACT.**

---

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

To place and order for microfilming contact the Records Analyst for your agency or submit your order on line at <http://archives.utah.gov/recmanag/workorder.htm> and specify the camera location as Utah Correctional Industries. All microfilming will be done in accordance with AIIM and with ANSI standards.
